## Logistics services from Millwood deliver the competitive edge

Companies looking for a competitive edge in their supply chains are turning to the logistics experts at Millwood for third party warehousing, order fulfillment and transportation services that improve customer service levels and reduce costs.

With facilities and operations in ten states throughout the Northeast and Midwest, Millwood can manage a wide range of products and services including:

- Warehousing and storage
- Inventory control and delivery solutions
- Pick and pack operations available
- TLL, LTL and parcel shipments
- Value-added services, including kitting and customer-specified packaging and labeling
- Inspection services
- Commodity management and returnable storage solutions
- Just-In-Time (JIT) delivery solutions
- Vendor Managed Inventory (VMI)
- Professional affiliation with the International Warehouse Logistics Association

Combined with our *unit load* approach to pallet and packaging systems, Millwood is your **One Stop Connection™** for pallet management, packaging and logistics solutions.
